

## **CELLAR HANDS – VINTAGE 2018**

- **Award winning boutique Winery**
- **McLaren Vale Region**
- **Dynamic and multi skilled team**
- **Above Award Wages and Wine Allowance**

Established in 1912, d'Arenberg is one of the most significant wineries in McLaren Vale. Producing boutique style premium wines, d'Arenberg has been awarded numerous national and international awards, and has received critical acclaim all over the world.

This is an exciting opportunity for Casual Cellar Hands with drive and enthusiasm, to become involved in basket pressing, crushing, open and static fermenters, additions and finings, fermentation procedures, crushing, juice racking, temperature control, oak filling and barrel shed procedures.

You will be a team player who is prepared to work long and often physically demanding shifts, and will receive a full induction and relevant hands on training prior to commencement.

A High Risk Work (Forklift) Licence is a prerequisite of employment and previous Vintage experience, and an understanding of small batch wine making practices on a large scale (approx. 3,500 tonnes), would be highly advantageous.

If you want to experience a Vintage in a dynamic, hands on winery, and learn what the “Art of Being Different” is all about, please forward your application to:
