Ongoing opportunities**

A new iconic restaurant is soon to be launched, as part of a five storey visitor complex.

A new state of the art Cellar Door is soon to be launched, as part of a five story visitor complex. The d'Arenberg Cube will be a massive immersion in an all senses provoking experience, with 360 degree views overlooking d'Arenberg's vineyards, alongside an award winning, globally recognised Winery.

We are seeking an experienced Cellar Door Assistant Manager to join our dynamic team and be part of this exciting development.

Your responsibilities will include:

- Staff rostering and supervision
- Developing a co-operative team environment
- Promoting d'Arenberg's extensive selection of wines
- Delivering exceptional customer service

Wine industry experience in a similar role is essential along with strong team leadership techniques, effective time management, sound communication skills and RSA certification.

Tertiary studies in Supervision/Management, WSET111, an understanding of Booking Platforms and EZY Wine, would be desirable.

This is unique opportunity to join our dynamic team, and work in a diversified and challenging environment.

**Please email a CV and cover letter, outlining your experience to  
[dhoad@darenberg.com.au](mailto:dhoad@darenberg.com.au).**

**All enquiries will be kept in strict confidence.**
